PURCELL®

M40 Series

Screen Protector Film Cutting and Applying Machine

One machine solves all screen protection problems

One click button complete hydrogel film /UV film /TPU film accurate cutting, positioning, applying, reduce errors, improve efficiency.

Automatically absorbs and removes dust to avoid bubbles or impurities.

Intelligent pressure control ensures that applied screen protector has no folds or curved edges for the perfect "foolproof" film application.

More accurate than traditional manual film, save raw materials, custom feedback effect is better.

Reduces the cost of buying two machines.

Precise positioning | Auto laminating | UV curing | Massive data | Cutting on-demand | DIY rear film

One key positioning automatic applying film

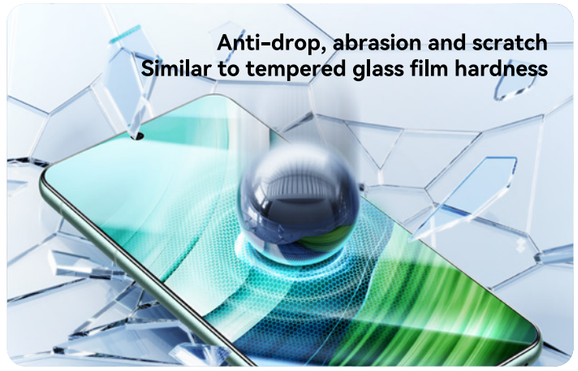

65000+ models can be adapted

Vacuum UV curing strong suction without warping edge

Anti-drop, abrasion and scratch Similar to tempered glass film hardness

Multi-functional membrane cutting at will

Specifications

Model	M40
Max media width	235mm
Max cutting width	217mm (Compatible with 12.9 inch tablet)
Max cutting pressure	1000g
Max cutting speed	500mm/s
Compatible with different sizes	Max: 188 x 88mm Min: 129 x 61mm (Except for three defenses and foldable phones)
Control panel	5.5 inches touch screen
Driving mode	Stepper motor
Connection mode	WiFi、Bluetooth
Air pump pressure	≈100Kpa
Cutting accuracy	0.1mm
Input	24VDC 2.75A
Output	48W
Working environment	5℃-35℃
Working humidity	35%-70%
Product size	425*190*235mm
Net weight	8kg
Packaging size	510*270*370mm
Gross weight	10.5kg

Accessories and consumables

Including cutting tools, the other accessories and the quick guide etc.. For more information, please visit our Website: www.purcellcut.com

Product list:

Adapter*1 | Blade holder*1 | Blade*1

Optional accessories:

Front film | Back film

1 Year Worry-free Warranty

*1：Please operate the Mini Film Cutter correctly by assigned conditions and materials.
*2：Please follow the quick guide to download the APP.

※Device faults may cause data loss. Therefore, back up data in advance.
■ Manufacturer reserves the right to make changes in specifications, materials or accessories without notice.
■ Your actual comments or inquiries, please contact manufacturer or dealers.

⚠ For safety purpose, please use this device properly!
■ Before using this machine, please read the product manual and follow it correctly.■ To avoid any damage and failure, please make sure to connect the ground wire and use the correct power supply.
